

Experience Complete Energy and Spiritual Renewal with Jenny Phare – one of Australia's leading energy healers Transform Your Life, Space, and Spirit ! *Her First Public Event in Singapore*

Get to experience having your personal aura cleared of negative energies and learn how to do this for your family and friends, your business and personal spaces, and how to set up personal protection for you and your family.

Experience a world of profound healing and harmony guided by Jenny Phare, one of Australia's leading energy healers and founder of Healing Places. With over twenty-five years of experience, Jenny specializes in clearing lost souls, negative energies, and spiritual blockages from homes, workplaces, schools, hospitals, and even neighbourhoods globally. Her powerful work brings Divine positive energies into your environment, fostering peace, clarity, and vibrant wellbeing.

In this rare public talk in Singapore, Jenny will reveal her unique approach to spiritual and energy healing built around awakening your "Creator Spirit"—your innate power to heal and become the fullest version of yourself.

What You Will Discover in This Transformative Session

- The art and science of **Space Clearing**, with practical insights on removing stagnant or harmful energies from any living or work environment to restore calm and positive flow.
- The power and subtlety of **Spiritual and Energy Healing**, a deeply personal process that clears accumulated emotional and spiritual baggage to enable your body's natural healing mechanisms.
- How to clear, invite and sustain **Divine positive energies** into your space – be it residential or corporate - and your life to foster peace, protection, and a sense of spiritual fulfilment.
- Jenny's inspiring guidance on awakening your personal healing abilities and reconnecting with your higher self for ongoing wellness, guidance, and empowerment.
- Practical tips and demonstrations so you can begin applying energy clearing and healing techniques immediately in your own environments.
- Everyone attending will get to experience the power of Jenny's energy clearings.
- How to create protection for your family.

Why Attend?

Jenny's sessions are known for their warmth, depth, and immediate positive impact. Attendees report feeling lighter, clearer, and more alive, with renewed spiritual clarity and emotional freedom. Whether you are a spiritual seeker, a professional wanting better workspace energy, or simply someone looking to enrich your life with healing, this talk opens the door to lasting transformation.

About Healing Places

Since 1998, Healing Places has been a pioneer in global spiritual healing and space clearing, led by Jenny's dedicated passion for guiding clients toward awakening and empowerment.

Her work includes clearing lost souls and energies from homes and larger community spaces, delivering remote healing sessions, and empowering individuals with the tools to maintain spiritual health through ascension phases.

Don't Miss This Unique Opportunity!

Be among the first to witness Jenny Phare's extraordinary healing wisdom live in Singapore. Reserve your place today and take the first step toward transforming your space, spirit, and life with tried and trusted methods that have been refined over decades. Spaces are limited to preserve a personal and interactive atmosphere. Secure your seat now to experience the peaceful, harmonious energy you deserve.

This event is perfect for those interested in spirituality, energy healing, emotional cleansing, and personal growth. Whether new to these concepts or already on a healing journey, you will leave inspired, energized, and equipped to continue your transformation.

Join Jenny Phare to embark on a path of renewal, clarity, and spiritual ascension — Your healing and awakening continues here.
